My apologies to your and Kathy. I got stuck in a meeting at DOH with then with the Yakama's until nearly 5:00. I agree, we can reschedule next week. I'll get with Kathy and see what our calendars look like.

I'm sorry we missed you today at our 2:00 conference call. I still think that taking some time to have a detailed discussion of burial ground regulatory pathway issues will pay significant dividends. I'm like to see if we can re-schedule our conversation.

Thanks!
